Congratulations **Tammy Gross**,

We appreciate your patience while we finishing reviewing your script. We are so thrilled to inform you that **Beloved is one of the Top 50 Teleplays (60 minutes)** for the Cinequest Screenwriting Competition. We truly enjoyed immersing ourselves into your story and getting to know the characters in your script. Our readers are so thankful for the opportunity to have read your work. Finalist (Top 10) notifications will go out in mid January. Thank you so much for your participation!

Sincerely,

Angela Ostermeier
