

TRICK OR TREAT

INT. AUTUMN'S BEDROOM - NIGHT

AUTUMN (13) sits at her vanity, removes zombie makeup and eats candy as does CHELSEA (14) on her phone's FaceTime.

CHELSEA

Get any Reese's? I didn't get one.

AUTUMN

Nope. Just a Snickers and a buttload of mints and jellybeans.

CHELSEA

I think all the fat ladies give us their stale table candy while they hoard premium crap for themselves!

Autumn laughs. She digs in her bag and pulls out a Polaroid.

CHELSEA

Hey, gotta go. See ya tomorrow...

AUTUMN

Wait! Chelsea. Who was that other zombie girl? Wouldn't take any candy. Kinda weird.

CHELSEA

Dude, who are you talking about?

AUTUMN

C'mon, you know... fake strangle marks. Awesome makeup. Gray skin...

CHELSEA

O.M.G., you're trippin'! Must've got acid-laced candy or something.

Autumn looks at the photo of her with Chelsea and 2 other girls posing in costume. A blue hue is next to Autumn.

AUTUMN

What the--?

A WHOOSH of gray passes behind Autumn, who looks up, sees zombie ELINA in the mirror's reflection standing behind her.

Autumn drops the phone and looks around her room. Nothing. Frazzled, she bursts from the room. Slams the door.

CHELSEA

Autumn? Hello?

CUT TO BLACK.
